BRILLIANT MUSLIM STUDENTS.**

Hamdard Education Society, at the instance of the late Janab Hakeem Abdul Hameed Saheb, instituted a Talent Search and Scholarship Scheme for bright Muslim students in 1986. The Scheme is being implemented ever since and has benefited a large number of students from across the country.

While awarding the loan scholarships the main focus will be on Science, Engineering and Medicine, but students of Commerce and Social Sciences including Economics are also considered. The purpose of the Scheme is to select extraordinarily bright Muslim students and to fund subsequent education of those among them who are needy and continue to show excellent results, so as to produce leaders in various walks of life. The criterion for selection would be merit-cum-means.

Loan scholarship will be awarded to students who have passed the following examinations:

1. High School/Higher Secondary
2. Intermediate /Senior Secondary
3. Graduation

The amount of loan scholarship in respect of different courses will be decided by the Scholarship Selection Committee. The amount of loan scholarship will have to be paid back to Hamdard Education Society. Repayment will commence two years after completion of education. The loan scholarship is renewable annually subject to academic progress being satisfactory. In case of decline in performance or failure to report progress, the scholarship will be suspended and the entire amount of loan scholarship may be recalled from the awardee. The selection of candidates will be on an all-India basis. Only those regular students need apply who have secured at least 80% marks in aggregate.

In addition to a high percentage of marks, intellectual brilliance, creative capability, quality of leadership and the urge to make a mark in life, will be assessed and kept in view while awarding loan scholarship.

Application forms duly completed alongwith all the required documents (Marksheet, Bonafide student certificate, Income certificate) should be submitted to the Society's office. While deciding on scholarships, 'means' criterion will receive special weightage. Those who get a scholarship will have to execute a bond for repayment.
